

*****ATTENTION Student Nurses Assoc. (SNA)
MEMBERS & ALL NURSING STUDENTS*****

SNA's Weekly Update:

Member of the week: Wenyi Chen

Wenyi is a 7th semester nursing student from China, who chose nursing because she likes being in a profession that helps people, and nursing provides her the opportunity to make a real difference in people's lives every day. Nursing also offers many career possibilities, such as nurse educator, researcher, and nurse practitioner.

As an SNA member, Wenyi thinks SNA offers nursing students excellent opportunities to learn from renowned nursing leaders. SNA also provides resources and leadership opportunities to nursing students, and helps prepare nursing students to become professional nurses.

Although the nursing program is very challenging, Wenyi feels she gets help and support from the nursing faculty. Being an international student, she has not experienced discrimination, and she really enjoys the learning environment.

After graduation, she wants to work in the general medical surgical floor. Her future nursing plans include being a nurse practitioner.
